MIDDLECHURCH HOME OF WINNIPEG
"Where Dignity, Respect and Excellent Care Live"

280 Balderstone Road
West St. Paul MB R4A 4A6
Phone (204) 339-1947 Fax (204) 334-2503

Dear Family Members,

At Middlechurch strict measures are being taken to minimize the risk of COVID-19 from entering our facility.

We want to inform you that Residents care routines are continuing as before. Our staff has been working hard to ensure all of their needs are being met. This includes time to just visit. Staff recognizes the importance and pleasure that a visit brings. Be assured your family member is never alone and staff is there for them.

We have been able to add some staff from other departments to be on the care units and visiting with Residents. Our hairdresser, recreation and Adult Day program staff has been spending time with Residents. Face Timing has been available and phone conversations have brought some great smiles.

The Physician still comes in weekly and you will be kept up to date on any changes in conditions.

Thank you for your understanding and support.

Sandy Peers, RPN
Director of Care & Acting Executive Director
